## *Benefit concert*

---

- The Go Fund Me sight will be open until Thursday night
- We have raised just over \$6600
- Silent auction
  - Lots of work
  - Set up of tables was rough
  - Tables were very linear (Created a line you had to walk through)
  - Clustering based on looks would be better
  - Spread out over more than one level
- Individual performances
  - Not organized well
  - Timing was off
  - Was lacking in communication
  - Was a good idea
  - Need a definite schedule that everyone knows
  - Not publicized well
  - Nice to hear different acts and people
  - Nice variety
  - If people aren't here next time they don't perform
  - Stage crew can find the performers before hand
- Group performances
  - Spacing for the mass choir was a problem
  - Timing was a problem (stage manager co-ordination)
  - Groups made the event seem like an OSSIA
  - Not a coffee house style
- MC's
  - Great job

- Teacher Student combo was perfect
- Tech
  - Had some problems
  - Adapted well to group changes and order changes
  - Co-operated well with stage crew
  - Were on the same page as everyone else
  - Did a wonderful job!

*\*Note: Please everyone pick up your assigned thank-you notes at the music office on Monday since they are due on Tuesday, preferably at the meeting at noon but no later than 3 pm.*

Many thanks to all council members and especially the Benefit Concert Committee, Logine, Jandeh, Gillian, Madison and Nataalka, who all gave of their time to get Silent Auction donors and musical performances. The people of Shirati are moved and the Community development directors Aleisha and Fred Otienna are overjoyed with the generosity of our school and especially the KCI Music Department. (NOTE: Full amount raised yet to be determined after the group funding site is closed.)
